# Form I brainstorming (english)

Category: this time different

	convert
	Quoted out of the context
	Adjust it on its sorroundings , imitate
	Use completely unaccustomed colours
	Do it 10 times larger as usual or 10 times smaller
	Change the smell
	Give it a different meaning
	Change the sound
	Go into massproduction
	Just I, but do it out of platin, or gold or silver or titanium, main issue: expensive
	Be perfectionistic, very feligree, ultra accurate, dainty
	Replace something, preferably absurd
	Involve your complete entourage in the formation process
	Do ist dillestante and simple ( Not necessarily ugly)
	Make it difficult for yourself
	Replace something once in a while, but in a way, that noone acknowledges it
	Change the location from time to time
	Change root and effect
	Turn it upside down, on the side, back to front
	Search yourself a teampartner
	What would be the total opposite of your idea? Try it out!
	Change the order of your normal acting
	Link the idea with another one
	Transform the material
	Alienate the look
